

BUCKHORN BERRY FARM – PUMPKINFEST SCHOOL TOURS

Activities during the school visits include: straw bale maze, two corn mazes, obstacle course and play areas, farm animals, pumpkin cannon, graveyard, wagon ride to the pumpkin patch, pumpkin talk and pumpkin picking. Each child will be able to pick their own pie pumpkin. Each class will receive one large pumpkin. Haunted forest, jr barn and bouncy castle **are not** available for school tours.

In planning your school tour, it is recommended that you have at least 1 supervisor per 5 students. Please note that we do not build the price of parent volunteer into the cost and you must also pay admission for those who are attending as volunteers– whether you build it into your student cost or charge each volunteer individually is up to the discretion of each school. There is no cost for teachers EA's or other support staff. **You must pay upon arrival to the farm for all students and volunteers.**

If you are booking for more than one class, please bear in mind that a maximum of 60 can be accommodated on the hayride at one time. For greater than 60, you may wish to determine how the numbers are to be split.

Each group will be assigned a shelter where students can leave their bags and lunches and come and go for snacks or lunch as they wish. In case of rain or bad weather you will be contacted by the farm so please make sure to include a number that we can reach you at either late at night or early in the morning.

Name of school: _____

Name of booking teacher: _____

Grade level: _____

Phone numbers in case of rain-out: Day: _____ Night: _____

Tour date requested: _____
